                                )  
                                Defendant. )  
                                )

This matter is set for a status conference on 31 August 2016. The parties are negotiating a resolution of the underlying Form 12 which contemplates a modification of the terms of Mr Day's supervised release. The probation officer needs additional time to seek management approval of the proposed modification prior to filing it with the district court.

For these reasons, IT IS STIPULATED AND AGREED that this matter be continued to 19 September 2016.
